ADVISORY – KHORFAKKAN Priority+ charges

Dear Agency,

Please be informed that Khorfakkan Terminal is currently experiencing significant berthing congestion, with vessels facing berthing delays of approximately 12–15 days.

*In order to facilitate earlier berthing, VOA are requesting the Terminal to utilize the **Priority+ option**, including for vessels that have already been waiting for approximately 7–8 days.*

*Please note that the **Priority+ option is currently being utilized by all vessel operators calling at Khorfakkan Terminal.***

*Accordingly, the applicable **Priority+ charges of USD 250/UNIT** will be debited to the respective customer based on the actual number of import/export moves performed on the vessel.*

Kindly take note of the above arrangement and ensure that the applicable Priority+ charges are communicated to and considered by the concerned customer accordingly.

Thank you for your cooperation and understanding.

Yours faithfully,

Maritime Commercial And Compliance
